9-12 years

Today's Project: Magical Vase Still Life (will take home on Friday)

Historical Context/Artistic Inspiration: Contemporary artist Jonas wood

Technique/skills: perspective, mixed media design, composition and collage

Summary: Students are working on large pieces using paint, pencil and collage in the style of Jonas Wood, which are a modern reflection on ancient Greek vases. The body of the vase will depict a highly rendered landscape or cityscape, and the plant will be composed of collage leaves.
